songs of people who made a country

Overview

With vocals, guitar, banjo, fiddle, mandolin, bass fiddle, mountain dulcimer, and a wealth of traditional American folk songs, Matthew Sabatella and the Rambling String Band bring the story of the United States vividly to life. From well-known tunes to “nearly forgotten gems” (Sean Piccoli, *Sun Sentinel*), *Ballad of America* follows the paths of the colonists, pioneers, sailors, lumberjacks, immigrants, ‘49ers, farmers, slaves, soldiers, cowboys, and railroaders who moved the country across the continent and into the 20th century.

Through live performances and a series of recordings, Matthew Sabatella and the Rambling String Band entertain audiences of all ages. Presenting traditional folk music in a relevant way for the 21st century, *Ballad of America* inspires people and creates a connection between them and the people who came before.

Ballad of America Volume 1: Over a Wide and Fruitful Land

The journey on this CD begins in the latter part of the 18th century when the United States of America became an independent nation. It follows the paths of the pioneers, sailors, lumberjacks, immigrants, ‘49ers, farmers, slaves, soldiers, cowboys, and railroaders who moved the country across the continent and into the 20th century.

Ballad of America Volume 2: America Singing

The songs in this collection are among the most commonly sung in the history of the United States. They present uniquely American musical blends, with roots in European and African traditions and branches that have sprouted countless regional and personal variants throughout the country. Collectively, these songs of work, fun, and love transcend social and ethnic boundaries, painting a broad picture of America during the 18th and 19th centuries when music making was, for many, an integral part of everyday life.

Ballad of America Volume 3: Songs in the Life of Abraham Lincoln

Abraham Lincoln was a man of remarkable determination, compassion, honesty, humor, and melancholy. To explore the music he cherished is to better understand the man himself and the times in which he lived. From a childhood on the American frontier to a presidency that changed the course of history, Lincoln's life unfolds through these Old World, play party, minstrel, campaign, slave, Civil War, and sentimental songs. This is the soundtrack to Abraham Lincoln's life.
